RE: OE#3's Demand to Bargain re Proposed Charter Amendment Regarding Board Governance

Dear Chris:

We are in receipt of your letter dated July 15, 2014, demanding to meet and confer over the proposed Retirement Board Governance Charter Amendment. The latest version of the proposed draft ballot measure, provided to OE#3 on June 20, 2014, does differ from the version originally presented to OE#3. After receiving feedback on the original version, the elements of the draft ballot measure that were subject to the meet and confer process were removed from subsequent versions.

Your letter does not identify any specific changes to the draft proposed ballot measure that would be mandatory subjects of bargaining. As we do not believe the latest version of the draft ballot measure contains items that are subject to meet and confer, we request that you articulate the items in the current ballot measure you believe to be mandatory subjects of bargaining.

We would be happy to discuss the Retirement Board Governance Charter Amendment with you. Please let us know some alternative dates and times when OE#3 is available to meet.

Sincerely,

Alex Gurza
Deputy City Manager
